Marks Hall Garden and Country Show 2018 on Saturday 21st & Sunday 22nd July at Marks Hall Estate, Coggeshall CO6 1TG. Following the continued success of this bi-annual show, the event returns on Saturday 21st and Sunday 22nd July, with the hope to raise £50,000 for the three charities, Essex and Herts Air Ambulance, Marks Hall and the Rotary Club of Colchester. As part of this show we are again looking for 'budding' young children in Essex and Suffolk to our 'Grub in a Tub' display. The theme is for the edible plants in a container display and the finished container can be anything in which a plant can grow successfully. The entries can be by individuals, schools or other youth groups (such as Cubs, Brownies, Beavers etc.) Now is the time for those wishing to enter to start thinking about and planning their display. More information and entry details e-mail: nigel@garden-shows.com for an entry form.

SESAW NEWS

Many of the permanent residents at SESAW are getting on (not me of course, I am in my prime!) and so are some of the animals awaiting new homes. Lily is an elderly dog that has recently moved into foster care and she is enjoying every minute as you can see in the photo. If you are looking for a pet to complete your family please consider an older dog, and contrary to popular belief, they CAN learn new tricks!

Our talented crafters send a big thank you for all the materials and wool you have donated. These have been used to make lots of quality items to be sold at future events. The Fundraisers are also getting ready for our Summer Sale at Newton Green Village Hall, more details next month. I'll also tell you about the animals needing news homes so I'd better go to meet them now and make sure they know I'm Kenny (the Boss) Chihuahua.

The numbers in our grid correspond to letters of the alphabet. We give you two letters to trigger the solution, enabling you straight away to fill in the squares where it occurs. Using your word power, fill in the remainder of the grid, crossing off each letter of the alphabet as you go, and entering it in the numbered grid to the below.
