

# Break the code

The numbers in the grid correspond to letters of the alphabet. We give you two letters to trigger the solution, enabling you straight away to fill in the squares where it occurs. Using your word power, fill in the remainder of the grid, crossing off each letter of the alphabet as you go, and entering it in the numbered grid to the below.

## Bookings and Sponsorship Boost for Golf Club

EFFORTS to improve the use of its club house and develop more sponsorship are being made by Newton Green Golf Club.

It has just started a promotional programme to bring more events to the club, and also brought a new recruit on board to develop sponsorship opportunities in the form of Ted Clarkson.

Paddy Lockwood, club captain, said: "Major sports clubs serving the Sudbury area, such as the football and rugby clubs, have made considerable moves forward with facilities for the public.

"We believe the golf club has an important niche role to play in this line-up because we have very well appointed, yet smaller, function rooms that can be used individually or together to cater for gatherings from 30 to up to 100 people.

"On top of this we have a very good in-house catering facility that can operate at competitive prices. We already have a very good custom base for outside bookings, but know there is a lot more potential.

"We also feel this is the same in respect of sponsorship. We have an excellent main sponsor in Jonathan Lambert, plus others, but we need someone with the time to pursue other opportunities.

"To this end, one of our members, Ted Clarkson, is taking on this responsibility. He has a wealth of experience in connection with the running of several local sporting organisations, and is also well versed in fund raising through sponsorship.

"One of the areas he will be maximizing support from businesses associated with our existing membership. There is untapped potential there and members who feel they could come on board should make contact with us. He can be contacted on 01787-210980.
