## CHILDREN'S CONTAINER DISPLAY

### Call for entries

We are pleased to invite all children in Essex and Suffolk – either individuals, schools or other youth groups such as Cubs and Brownies – to enter a tub display at our major charity garden show in July.

The theme for the edible container display is **Grub In A Tub** and the finished container can be anything in which the plants can grow successfully (i.e. have free drainage). The filled container must be freestanding and reasonably portable so that it can be moved to the garden site without the use of machinery (such as a forklift). Therefore a stone trough might not be appropriate!

Innovative, home-made or recycled containers will be looked upon favourably.
