

## FARM PRODUCE / PARTY CATERING / TRADITIONAL BUTCHERS

The ethos of our Farm Shop is to support local producers and farmers and stock from wherever we can from the local area.

We do push the boundaries with our cheese to stock some firm favourites from across Europe as well as some great English cheeses. We also offer traditional hams, cooked meats and continental cured salami, chorizo etc. Our meat is sourced mainly within a twenty mile radius from farmers known and trusted by ourselves for their good husbandry skills.

## Christmas Tasting Weekend

**On the Saturday 18th and Sunday 19th November at the farm shop all day from 11am.**

Come along, have a glass of mulled wine and try our whole Christmas range including turkey, goose, four different types of stuffing, roast potatoes in blackwells goose fat, pigs in blankets, sauces and Christmas pudding!

We look forward to seeing you there!
