Taking the Broadview for Awnings, Blinds, and Shutters

Broadview Blinds established in 1969, are one of the largest family run manufacturers and suppliers of interior and exterior blinds, awnings, shutters, for both residential and commercial use, in the South.

The company has been trading in Halstead and district for the past six years, and has grown significantly. Karen Rayner first traded from her home, but she soon found it necessary to provide a showroom facility where customers could view the quality and full range of products in a relaxed environment.

After a period of some three years, having found that the original showroom at the top of the High Street in Halstead was no longer big enough for their expanding market, the business moved to larger premises at 13 Head Street, Halstead.

A Free no-obligation quotation service is available, where Karen or other sales consultants can visit your home with a range of sample fabric books. In addition, an Interior Design Service is available, with a Personalised Concept and Design Board, including Design Consultancy, a Purchasing and Costing List (from High Street stores), all competitively priced.

Broadview have the experience and expertise to cater for any type or size of domestic or commercial installation, with specialist fitters handling installation. The range of products continues to grow, from all manner of Interior and Exterior blinds, to Sun Awnings and Canopies, to Conservatory Roof and Side Blinds
